

## ITA REPORT

Report created on January 28, 2018

**HB1004 VARIOUS STATE AND LOCAL GOVERNMENT STREAMLINING MATTERS (SIEGRIST S)** Provides that the journals, the enrolled acts, the session laws, and the Indiana Code may be distributed in paper or electronic format. Requires that copies of the journals, the session laws, and the Indiana Code must be provided to public libraries located in Indiana that participate in the federal depository library program. Permits the clerk of the house of representatives and the secretary of the senate (with respect to the journals) and the legislative council (with respect to the session laws and the Indiana Code) to specify a list of other public officials who automatically receive copies of the journals, the session laws, and the Indiana Code. Permits the publication and circulation to circuit court clerks of the enrolled acts, as required by the state constitution, to be performed electronically, and permits circuit court clerks to electronically acknowledge receipt of the enrolled acts directly to the legislative services agency. Permits the implementation of a system that would allow county clerks to send the acknowledgment electronically. Requires a meeting for receiving quotes must be open to the public. Provides that the individual who receives a quote by telephone, facsimile transmission, or electronic mail for a public work project shall report to the board of a political subdivision or an agency (board) in a public meeting the names of the persons providing each quote and the amount of each quote. Specifies that the copy of an employee drug testing program submitted to the board not later than 15 days after the date on which bids are opened must have been effective and applied at the time of the solicitation for bids. Allows the board to keep on file a copy of the contractor's policy submitted in the current calendar year or previous two calendar years to satisfy the requirement for submitting a policy unless the policy has been revised. Specifies that the fire and building safety commission (commission) shall include citations to specific provisions of state law regarding the fire safety laws and the building laws that are the basis for a denial of an ordinance or other regulation of a political subdivision that is submitted for approval by the commission. Provides that a person may electronically file any document that is required to be filed as part of a lis pendens record. Repeals a provision requiring a circuit court clerk to provide to a court the names of all attorneys having business in that court. Makes changes concerning the role of a circuit court clerk regarding recovery of treatment and maintenance charges from the estate of a patient of a state institution or from a responsible party. Provides that: (1) the secretary and treasurer shall make a report of their trusts to the local board of the 1925 police pension fund (fund) before February 15; and (2) after the local board receives the report of the secretary and treasurer, the trustees of the local board shall be elected at the next meeting of the members of the police department. Removes a prohibition on political affiliation for members of a park board in a third class city. Urges the legislative council to assign to an appropriate interim study committee the subject of costs and benefits related to publication of certain reports.

**HB1005 TOWNSHIP GOVERNMENT CONSOLIDATION (ZIEMKE C)** Requires all townships with a population of less than 1,200 (as determined by the 2010 federal decennial census) to merge with other townships, effective not later than January 1, 2023. Requires merging townships to adopt identical resolutions and a merger plan. Requires the department of local government finance (DLGF) to assist merging townships. Provides the following with regard to the required merger: (1) Requires merging townships to opt for a township legislative body in which: (A) members are elected at large; or (B) one member must

reside within the geographic area of each of the former townships, and all voters of the new merged township vote for all legislative body members. (2) The new merged township government assumes the indebtedness of the former townships, but may levy property taxes to pay the indebtedness only within the geographic area of the former township that incurred the debt. (3) Provides that only the property owners, school corporations, and residents residing within the geographic area of a former township in which seminary lands are located may continue to receive the benefits from the seminary lands after the merger. Makes the following changes with regard to all townships: (1) Requires the DLGF to increase the maximum property tax levy for a township's firefighting fund for 2020 and thereafter if: (A) the township imposed a debt service levy in 2019 to pay amounts borrowed to furnish fire protection; and (B) the township executive before August 1, 2019, submits a petition to the DLGF requesting the increase. Specifies that the amount of the increase in the maximum property tax levy for the township's firefighting fund is equal to the total amount of the principal that will be due in 2020 on amounts borrowed by the township to furnish fire protection. (2) Makes a stylistic change to a statute that allows a participating unit in a newly formed fire protection territory to phase in the unit's property tax levy. (3) Authorizes a township to appeal to the DLGF for an increase in the township's maximum property tax levy to meet the costs of providing township assistance, not to exceed for a particular calendar year, the levy that would result from a \$0.02 increase in the township's township assistance property tax rate. (4) Allows a township assistance applicant to appeal to the county commissioners if a township trustee refuses or fails to respond to a request for township assistance services. (5) Amends the information required in the township trustee's annual statistical report. (6) Caps a township board member's salary, for calendar year 2019 and every year thereafter, at not more than \$5,000 per year plus a per diem at a rate recommended by the trustee and approved by the township legislative body. (7) Requires a township to prepare a capital improvement plan for the ensuing three years if the balance in certain capital improvement funds in the preceding year exceeds 150% of the township's annual budget estimate. Prohibits the township from collecting property taxes for certain capital improvement funds in the ensuing year unless the township has adopted a capital improvement plan. Makes a technical correction.

**HB1045**     **CONTROLLED PROJECT REFERENDUM** (THOMPSON J) Provides that if the estimated increase in a political subdivision's property tax levy for debt service for a proposed controlled project will be offset in whole or in part because of the retirement of existing debt of the political subdivision, the proper officers of the political subdivision may adopt a resolution that does the following: (1) Includes a schedule that specifies certain information concerning the debt service for the controlled project and the expected changes in the political subdivision's total debt service payments that will result because the debt service for the controlled project will be offset by the retirement of existing debt. (2) States that the political subdivision intends to maintain the political subdivision's total debt service property tax rate (including debt service for the controlled project and for all other debt of the political subdivision) at or below a specified tax rate. Provides that the political subdivision's statement that it intends to maintain its total debt service property tax rate at or below a specified tax rate may include exceptions for specified projects or purposes, including any projects that the political subdivision declares are required by an emergency or are required for the safety and security of citizens or students. Specifies the ballot language for the referendum on such a proposed controlled project.

**HB1046**     **LOCAL INCOME TAXES** (THOMPSON J) Expires the existing local income tax law on December 31, 2021, and adds a new local income tax law effective in 2022 and thereafter. Does the following under the new local income tax law: (1) Authorizes counties, municipalities, and school corporations to each enact a property tax relief tax rate of not more than 0.5% in the case of counties and municipalities and not more than 0.25% in the case of school corporations. Provides that in Marion County, municipalities may not enact a property tax relief rate, but the Marion County city-county council may adopt a 1% property tax relief rate. (2) Authorizes counties, municipalities (other than municipalities in Marion County), and school corporations to each enact an expenditure rate. (3) Provides that an expenditure rate may not exceed: (A) 1.25% in the case of counties other than Marion County or 2% in the case of Marion County; (B) 1% in the case of municipalities (other than municipalities in Marion County); and (C) 0.25% in the case of school corporations. (4) Provides that if an expenditure rate is imposed by a municipality, the municipality shall receive the revenue from the tax, and specifies that the revenue may be used for any legal purpose of the municipality (including providing additional property tax credits). (5) Specifies that a school corporation may not adopt an expenditure rate unless: (A) the expenditure rate is approved by the voters of the school corporation in a local public question; or (B) the revenue from the expenditure rate is used to provide additional property tax credits. Provides that if a school corporation's expenditure rate is approved by the voters, the revenue may be used for any legal purpose of the school corporation

(including providing additional property tax credits). Provides that the maximum period for an expenditure rate approved by the voters of a school corporation is eight years, but that the expenditure rate may be reimposed by the school corporation if approved by the voters. (6) Provides that if an expenditure rate is imposed by a county other than Marion County, the revenue shall be distributed as certified shares to civil taxing units in the county (other than municipalities and school corporations) on the basis of property tax levies. Specifies that in counties other than Marion County, the revenue from the county's expenditure rate may be allocated to a public safety answering point or used to provide additional property tax credits before the remaining revenue is distributed as certified shares. (7) Provides that the 2% maximum expenditure rate in Marion County consists of: (A) an expenditure rate of not more than 1%, to be distributed as certified shares to the county and to excluded cities in the county on the basis of property tax levies; and (B) an expenditure rate of not more than 1%, to be distributed as certified shares to the county and to townships in the county on the basis of property tax levies. (8) Specifies that in Marion County: (A) the revenue from the county's expenditure rate may be allocated to a public communications system and computer facilities district, a public library, or a public transportation corporation, or for additional property tax credits before the remaining revenue is distributed as certified shares; and (B) revenue distributed as certified shares may be used for any legal purpose of the unit receiving the certified shares. (9) Provides that, after May 31, 2018, a political subdivision may not pledge for the payment of bonds, leases, or other obligations any tax revenue received under the current local income tax law (other than a special purpose rate). (10) Maintains the existing special purpose rates. (11) Provides that after December 31, 2021, a local income tax rate imposed for transit purposes after approval in a local public question: (A) is a separate special purpose rate; and (B) is not part of the county's expenditure rate or considered in determining whether the county is imposing its maximum expenditure rate. (12) For property taxes due and payable in 2022 and thereafter, requires the department of local government finance to adjust each maximum property tax levy for which a levy freeze amount was applied under the existing local income tax law in 2021. (13) Authorizes a political subdivision to appeal to the department of local government finance for the authority to impose an additional local income tax rate if the political subdivision's expected local income tax distributions will be insufficient to pay obligations for which a pledge of revenue was made under the prior local income tax laws. (14) Specifies that the legislative council shall provide for the preparation and introduction of legislation in the 2019 session of the general assembly to correct cross references and make other changes to the Indiana Code, as necessary, to bring other provisions of the Indiana Code into conformity with this act.

**HB1104**    **PROPERTY TAX MATTERS** (LEONARD D) Excludes political subdivisions that do not have the power to impose ad valorem property taxes from the requirement to upload a digital copy of certain contracts on the Indiana transparency Internet web site. Specifies the deadlines for county auditors to submit property tax settlement and distribution information to the department of local government finance (DLGF). Repeals the electronic digital signature act. Amends the definition of "owner" (for purposes of the property tax statutes) to delete the provision specifying that an owner of tangible property includes the holder of a tenancy for a term of years. Deletes obsolete language in the statutes exempting certain business personal property with an acquisition cost of less than \$20,000. Specifies that a taxpayer eligible for such an exemption must include on the taxpayer's personal property tax return: (1) information concerning whether the taxpayer's business personal property within the county is in one location or multiple locations; and (2) an address for the location of the property. Eliminates (effective retroactive to July 1,

2017) several property tax deduction and credit reapplication requirements that were added by HEA 1450-2017 pertaining to unmarried taxpayers who married, married taxpayers who divorced, and taxpayers who came to own their property jointly or as tenants in common with another individual. Provides that if a local service fee is imposed on a taxpayer claiming such an exemption, the county shall include the local service fee on a property tax bill associated with the tax district in which the majority value of the taxpayer's business personal property within the county is located. Provides that a taxpayer may be charged only one local service fee per county. Specifies that if a penalty is imposed on a taxpayer for failing to declare on the taxpayer's tax return that the taxpayer is entitled to the exemption for business personal property with an acquisition cost of less than \$20,000, the county shall include the penalty on a property tax bill associated with the tax district in which the majority value of the taxpayer's business personal property within the county is located. Provides that the appropriate county officer designated by the county executive (rather than the assessor, under current law) is responsible for: (1) maintaining data files of the geographic information system characteristics of each parcel in the county as of each assessment date; and (2) submitting those files to the geographic information office of the office of technology. Provides that if an assessing official determines that the owner of a parcel of property is unable to use the property to the owner's full and complete benefit because: (1) the parcel is completely surrounded by parcels owned by other owners; and (2) the owner does not possess and cannot obtain an easement granting ingress or egress into the property or the owner is otherwise incapable of having sufficient ingress or egress to the property; the assessing official shall apply an influence factor for limited access as prescribed in the rules of the DLGF. Requires that the budget notice that political subdivisions must publish on the DLGF's computer gateway must also include information concerning the percentage change between the current and proposed tax levies of each fund. Requires county auditors to submit data on deductions applicable to the current tax year to the homestead property data base on or before March 15 of each year, in a manner prescribed by the DLGF. Repeals the statute providing for a county board of tax adjustment. Repeals provisions related to the county board of tax adjustment and the local budgeting process. Specifies that a political subdivision shall file the budget adopted by the political subdivision with the DLGF not later than five business days after the budget is adopted. Authorizes the DLGF to adopt rules for procedures related to local government budgeting. Specifies that the adoption, amendment, or repeal of such a rule by the DLGF may not take effect before March 1 or after July 31 of a particular year. Specifies: (1) that rules adopted by the DLGF for the appraisal of real property may not apply to any appraisal contemporaneously being conducted under a county's reassessment plan; and (2) that rules adopted by the DLGF may first apply to the reassessment phase beginning in the following calendar year under a county's reassessment plan. Specifies that for purposes of attributing the amount of a property tax deduction or exemption to the gross assessed value of a property: (1) a deduction or exemption that is specific to an improvement shall be applied only to the assessed value allocation pertaining to that improvement; and (2) to the extent that a deduction or exemption is not specific to an improvement; the deduction or exemption shall be applied in the order that will maximize the benefit of the deduction or exemption to the taxpayer. Allows Green Township in Hancock County to increase its maximum permissible ad valorem property tax levy for the township's general fund to offset the reduction in the maximum levy that occurred beginning in 2003 that was based on the township's actual levy (levy banked amount). Provides for an alternative distribution of the certified share part of local income tax revenue in certain counties based on revenue and population of municipalities and townships in the county. Provides that the Jasper County local income tax (LIT) adopting body may adopt an ordinance to provide that property taxes imposed due to a referendum, adopted before July 1, 2015, are eligible for the property tax relief rate credit for distributing LIT revenue. Authorizes a county fiscal

body to establish a salary schedule that includes greater compensation for the presiding officer or secretary of the county fiscal body or county executive if certain conditions are satisfied. Provides that a redevelopment commission may issue bonds or enter into leases with a term of up to 50 years to finance a project that includes, as part of the project, the use and repurposing of two or more buildings and structures that are: (1) at least 75 years old; and (2) located at a site at which manufacturing previously occurred over a period of at least 75 years. Specifies that in the case of an allocation area that is established after June 30, 2018, for such a project, the expiration date of the allocation provision may not be more than 50 years after the date on which the allocation provision is established. Specifies that the base assessed value for tax increment financing purposes includes the net residential assessed value within the allocation area, as finally determined for the current assessment date. Provides the following with regard to a waiver of remonstrance of annexation executed before, on, or after June 30, 2018: (1) The waiver is void if the waiver is recorded more than 90 business days after the date the waiver was executed. (2) The waiver expires not later than 15 years after the date the waiver was executed. (3) A void or expired waiver does not invalidate an annexation that was effective on or before July 1, 2018. Provides a property tax exemption for certain continuing care retirement communities and provides for certain exceptions to the exemption filing deadlines for taxpayers who otherwise qualify for an exemption under current law. Urges the legislative council to assign to the fiscal policy s

**HB1122 TOWNSHIP ASSISTANCE FOR CEMETERY MAINTENANCE (MAY C)** Authorizes the trustee of a township to provide financial assistance for maintenance purposes to a

cemetery that is operated by a nonprofit organization and located in the township if the trustee reasonably believes that: (1) the funds available to the cemetery from its perpetual care fund and other sources are not sufficient to provide for the necessary maintenance of the cemetery; and (2) providing financial assistance to the cemetery will help to prevent the full responsibility for maintenance of the cemetery from falling on the township. Requires a township trustee of a township that assists a cemetery with maintenance expenses to enter into an agreement with the cemetery that provides: (1) a description and schedule of maintenance expenses that are covered by the agreement; (2) that the trustee may not pay money directly to the cemetery for maintenance but shall only reimburse the cemetery for documented maintenance expenses actually incurred from claims submitted to the trustee under procedures stated in the agreement; and (3) the duration of the agreement. Provides, for purposes of the law concerning township care of cemeteries, that the maintenance of a cemetery includes mowing the lawn.

**HB1278** **ECONOMIC IMPROVEMENT DISTRICTS** (EBERHART S) Provides that a petition to establish an economic improvement district (district) may be filed with the clerk (instead of the legislative body) of the county or municipality. Requires a person that intends to file a

petition for the establishment of a district to first provide the clerk with written notice of the person's intent before initiating the petition process. Provides that a petition for the establishment of a district may be filed with the clerk not later than 90 days after the date on which the person filed the notice of intent. Requires the clerk to retain the paper copy of a petition for not less than 90 days from the date the petition is filed. Provides that the clerk of the county or municipality shall publish notice of a hearing on the proposed district, mail a copy of the notice to each owner of real property within the district, and include the hearing date in the notice. Provides that the date of the hearing may not be more than 60 days after the date on which the notice is mailed. Increases the required percentage number of signatures needed on a petition from owners of real property within a proposed district. Specifies that the signature of a person whose property is: (1) owned by this state, or a state agency, or leased to a state agency and is exempt from property taxation; or (2) owned by a political subdivision of this state and is exempt from property taxation; may not be considered in determining whether the required number of signatures needed on a petition are met. Provides that the assessed valuation of property that is: (1) owned by this state, or a state agency, or leased to a state agency and is exempt from property taxation; or (2) owned by a political subdivision of this state and is exempt from property taxation; may not be considered in determining the total assessed valuation in the proposed district. Repeals the provision that allows the proposals contained in the petition to be amended or modified in the ordinance adopted to establish the district. Eliminates the provision that allows the board of a district (board) to increase a special assessment following a hearing on an owner's protest of the special assessment. Requires the board to either confirm or decrease the special assessment in its determination of the owner's protest. Provides that the legislative body of a unit (legislative body) may not pass an amending ordinance to increase the boundaries of a district. Requires the district (or the person that files the petition, if the proposed district is rejected) to, at the request of the unit, reimburse the unit for the reasonable expenses incurred by the unit to comply with the statutory requirements for the district. Provides that the legislative body may choose not to collect all or part of the reasonable expenses.

**HB1284** **TAX INCREMENT FINANCING ISSUES** (CLERE E) Requires the department of local government finance (DLGF) to annually prepare a report for each taxing unit that includes a calculation of the following: (1) The total property tax levy from the assessed value in the taxing unit and the amount of loss due to the circuit breaker credits. (2) The total property tax proceeds from the assessed value that exceeds the base assessed value in all allocation areas established within the taxing unit. (3) The effect, if any, on the amount of the tax levy or proceeds and the credit for excessive property taxes under IC 6-1.1-20.6 for the taxing unit and for the allocation areas if the allocation and distribution of tax proceeds in the allocation areas were: (A) eliminated; (B) reduced by 10%; (C) reduced by 20%; or (D) reduced by 30%. Requires the DLGF to: (1) post the report on the DLGF web site; and (2) file the report with the governor and the general assembly. Provides that the county council of a county in which a redevelopment authority is located may require redistribution to taxing units of up to 20% of the assessed value that is allocated to allocation areas if, when considering a reduction in the allocation in allocation areas from 10% to 20%, the amount of the reduction in losses due to the circuit breaker credits is exceeded by more than 50%. Provides, however, that the county council may not make a redistribution to taxing units if: (1) the redistribution would affect debt service; or (2) there is no loss that meets the criteria for a distribution that is to a unit other than the municipality in which the allocation area is located, or a special service district that is wholly located within the boundaries of the municipality that established the allocation

area. Provides that allocated property tax proceeds may be expended for projects located outside a redevelopment district only if the commission adopts a declaratory resolution that finds that the expenditures: (1) will directly benefit the redevelopment district; and (2) will result in the creation of jobs in the private sector. Requires the legislative body of a unit and the redevelopment commission established by the unit to hold a joint public hearing before December 1 of each year for the purpose of reviewing the commission's proposed expenditures in the upcoming calendar year.

**HB1289 LOCAL REGULATION OF NATURAL RESOURCE DEVELOPMENT (ELLINGTON**

J) Changes the definition of "urban area" for purposes of a land use statute in the area planning law to include any lands or lots used for residential purposes where there are at least 50 residences (instead of eight residences) within any quarter mile square area. Specifies that the statute does not authorize an ordinance or action of a plan commission or a board of zoning appeals prohibited by the remainder of the bill. Provides that the prohibition applies outside of urban areas, including within a flood plain. Restricts the power of a unit (a county, city, town, or township) to regulate the development of natural resources on private property. Defines "development of natural resources" as the extraction of mineral resources, the sale or removal of merchantable timber, or the harvest, sale, or removal of other vegetation. Allows the enforcement of ordinances concerning the use of a road or damage to a road. Provides that if an ordinance or resolution of a unit requires a person to obtain a permit for a road cut or other access to a road located in the unit, the unit shall issue a permit to a person upon receipt of the person's completed application. Prohibits a unit from charging a person who sells or removes merchantable timber from private property a fee or requiring a bond for a road cut or other access to a highway that exceeds a fee or bond that the unit requires for new commercial construction. Allows a unit to charge a reforestation fee. Allows the unit to retain 25% of the fee and requires the remaining 75% to be deposited in the forest restoration fund.

**HB1321**     **OVERSIGHT REQUIREMENTS FOR STATE ASSISTANCE** (SLAGER H) Provides that the distressed unit appeal board (DUAB) must before January 1, 2019, establish financial and qualitative indicators and thresholds that will be used by the DUAB to determine if a political subdivision that is seeking state assistance must: (1) enter into an oversight agreement with the DUAB; and (2) comply with specified requirements and conditions; before any state assistance may be provided to the political subdivision. Provides that in establishing these indicators and thresholds, the DUAB shall consider: (1) certain factors specified in current law for the purposes of evaluating the fiscal health of school corporations and other political subdivisions; and (2) the conditions specified in current law as the grounds for the designation of distressed political subdivisions. Specifies that the DUAB may not establish or revise financial and qualitative indicators and thresholds unless the proposed indicators and thresholds or proposed revisions have been reviewed by the state budget committee. Provides that after June 30, 2019, state assistance may not be provided to a political subdivision unless: (1) the DUAB has first applied the financial and qualitative indicators and thresholds to determine whether the political subdivision must enter into an oversight agreement and comply with the statutory oversight requirements and conditions; and (2) if required based on the DUAB's application of the financial and qualitative indicators and thresholds, the political subdivision has entered into an oversight agreement, has submitted a financial stability plan to the DUAB, and otherwise complies with the statutory oversight requirements and conditions. Requires the DUAB to provide a model oversight agreement that the DUAB and political subdivisions shall use as a template in determining the terms and conditions of oversight agreements. Requires an oversight agreement entered into by the DUAB and a political subdivision to do the following: (1) Set out the conditions, requirements, and oversight required as a condition of the political subdivision receiving state assistance. (2) Require the political subdivision to comply with the statutory oversight requirements and conditions. (3) Designate the political subdivision as a supervised political subdivision. (4) Include the conditions that must be satisfied before the political subdivision's status as a supervised political subdivision is terminated and the political subdivision is no longer required to comply with oversight agreement and the statutory requirements and conditions. Requires the DUAB to assist a supervised political subdivision in developing a financial stability plan. Specifies oversight requirements and duties that apply to a supervised political subdivision. Specifies certain actions that a supervised political subdivision may not take unless the supervised political subdivision has first obtained the approval of the DUAB. Requires the management performance hub to assist the DUAB in carrying out the DUAB's duties under these provisions.

**SB242 TAX ISSUES (HOLDMAN T)** Provides that the lottery commission must obtain a tax clearance statement from the department of state revenue (DOR) for a retailer before the lottery commission may enter into a contract with that retailer. (Current law requires the retailer to provide the tax clearance statement to the lottery commission.) Requires the riverboat supplemental wagering tax and wagering tax to be paid four days (rather than one day, under current law) before the last business day of each month. Provides that, beginning after June 30, 2018, a county, city, or town that receives an initial application for a property tax abatement deduction (abatement deduction) for real or personal property in an economic revitalization area must notify each taxing unit in the taxing district in which the property is located of the receipt of the application. Allows each taxing unit to adopt a resolution to support the abatement deduction. Provides that, if less than all taxing units pass a resolution to support the abatement deduction, the county auditor shall apply the deduction only against assessed value for those taxing units that support the deduction, and may not apply the deduction against assessed value for the taxing units that do not support the deduction. Provides that the separate net assessed value must be used for purposes of calculating a budget, rate, or levy of the taxing unit. Prohibits a county, city, or town from approving an abatement deduction if the deduction applicant or property owner, on the date of the application, is conducting the business activities: (1) that form the basis for the statement of benefits; or (2) that are required for the approval of the application; at another location in Indiana. Eliminates the infrastructure development zone property tax exemption for assessment dates after January 1, 2019. Eliminates the property tax deduction for personal property within a certified technology park that is assessed for the first time after January 1, 2019 (but does not eliminate the property tax deduction claimed under a deduction schedule filed after January 1, 2019, for personal property that was assessed for the first time before January 2, 2019). Eliminates the maritime opportunity district property tax deduction for new manufacturing equipment installed in a district after June 30, 2018. Provides that the reduced tax rate for a corporation in a qualified military enhancement area (area) applies only to a corporation that locates all or part of its operations in an area before January 1, 2019 (but does not prevent the tax rate from applying to succeeding taxable years of a corporation after December 31, 2018, if the corporation has located all or part of its operations in an area before January 1, 2019). Eliminates various income tax credits and deductions. Makes technical corrections and conforming changes. Provides that the DOR may require that certain information be provided or updated before the issuance or renewal of a registered retail merchant's certificate. Specifies that if for any taxable year a taxpayer is subject to different corporate income tax rates, the calculation is based on the number of days (rather than months, under current law) that each of the different tax rates is in effect.

Provides that if the due date for a federal income tax return is extended by the Internal Revenue Service to a date that is later than the date otherwise required for a state income tax return, the DOR may extend the due date of the state return to the due date permitted for the federal return. Authorizes the DOR to issue refunds in certain circumstances without a taxpayer filing a refund claim. Requires certain state and local employees and contractors, subcontractors, and parties to a cooperative agreement with the state whose duties include access to confidential tax information to submit to a fingerprint based criminal history background check of both national and state records data bases.

**CEMETERY MAINTENANCE EXPENSES** (KOCH E) Defines "immediate maintenance needs" of a cemetery and specifies that the income from a cemetery's perpetual care fund may be used to meet the cemetery's immediate maintenance needs. Provides that money in a cemetery's perpetual care fund may be invested in certificates of deposit, mutual funds, money market mutual funds, and other interest bearing accounts or funds. Allows a cemetery to obtain maintenance funds from the state consumer protection fund for cemetery maintenance (fund) if the appreciation and income of the principal of the cemetery's perpetual care fund are not sufficient to meet the cemetery's immediate maintenance needs. Allows the state board of funeral and cemetery service (board) to authorize a withdrawal of up to \$50,000 from the fund in response to an application concerning a cemetery in need of emergency maintenance. Authorizes the board to suspend the requirement that cemetery owners make payments to the fund if the fund balance equals or exceeds \$500,000. (Under current law, the requirement to make payments to the fund can be suspended if the fund balance equals or exceeds \$250,000.) Provides, for purposes of the law concerning township care of cemeteries, that the maintenance of a cemetery includes mowing the lawn. Authorizes the trustee of a township to provide financial assistance for maintenance purposes to a cemetery that is operated by a nonprofit organization and located in the township if the trustee reasonably believes that: (1) the funds available to the cemetery from its perpetual care fund and other sources are not sufficient to provide for the necessary maintenance of the cemetery; and (2) providing financial assistance to the cemetery will help to prevent the full responsibility for maintenance of the cemetery from falling on the township. Provides that those cemeteries that are ten acres or less in size may not access the consumer protection fund for cemetery maintenance. (Current law provides that cemeteries that are: (1) ten acres or less in size; (2) owned and operated by a nonprofit mutual association in existence on June 14, 1939; and (3) in which burials took place before June 14, 1939; could not access the consumer protection fund for cemetery maintenance.) Provides that a member of the state board of funeral and cemetery service may serve not more than two consecutive terms on the board. Eliminates the consideration of a board member's service on the state board of embalmers and funeral directors as a limitation on the number of terms the member may serve on the state board of funeral and cemetery service.

**ROAD AND UTILITY REPAIR** (KOCH E) Defines "department action" as one or more of the following: (1) Detour creation or implementation. (2) Planned bridge repair. (3) Planned road repair. Requires the department of transportation (department) to consult

with the appropriate: (1) county commissioner; (2) county executive; (3) mayor; or (4) town executive; whenever a proposed department action adversely affects certain local interests. Requires the department to: (1) consult with an appropriate local representative; and (2) memorialize; the substance of any consultation involving a local representative. Requires the commissioner of the department to review the substance of all consultations involving a local representative. Requires the commissioner to either: (1) approve a proposed department action subject to the concerns of the appropriate local representative; or (2) remand a proposed department action to appropriate department personnel for the purpose of devising a revised department action that is less destructive to certain local interests. Provides the department with rulemaking authority. Allows the department to contract with third party agencies approved of by the commissioner of the department. Provides that the hearing officer appointed to conduct a hearing concerning a petition to establish a regional water, sewage, or solid waste district is required to provide notice of the hearing to the executive of a city or town that has a municipal sewage works or public sanitation department having extraterritorial jurisdiction within the boundaries of the area to be included in the proposed district. Requires the board of trustees of a regional sewage district, when seeking to add territory to the district, to file a copy of its motion for the addition of territory in the office of: (1) the executive of each governmental entity having territory within the territory proposed to be added to the regional sewage district; and (2) the executive of a city or town that has a municipal sewage works or public sanitation department if the territory proposed to be added to the regional sewage district includes territory within the extraterritorial jurisdiction of the municipal sewage works or public sanitation department. Defines "governmental entity", for purpose of the law concerning regional water, sewage, and solid waste districts, as a municipal corporation or a special taxing district. Defines certain terms.

**SB385 LOCAL GOVERNMENT BUDGET NOTICES (GLICK S)** Reinstates certain expired and repealed statutes concerning local government budget notices. Reinstates the requirement that a political subdivision must give notice by publication to taxpayers of the estimated budget, the estimated maximum permissible levy, the current and proposed tax levies of each fund, the amount by which the political subdivision's property taxes may be reduced by circuit breaker credits, the amounts of excessive levy appeals to be requested, and the time and place of the public hearing on the budget. (Under current law, the political subdivision is required to submit this information to the department of local government finance's (DLGF's) gateway.) Provides that a political subdivision must include in each notice the Internet address of the DLGF's gateway at which the budget information is also available. Reinstates an expired statute providing that if the budget notice is not timely published due to the fault of a newspaper, the notice is a valid notice if it is published one time at least three days before the budget hearing. Reinstates an expired provision allowing the DLGF to correct certain errors or omissions that cause the budget notice to inaccurately reflect the tax rate, tax levy, or budget of a political subdivision.

**SB391 TOWNSHIP PROPERTY TAX LEVIES (NIEMEYER R)** Authorizes a township to appeal to the department of local government finance (DLGF) for an increase in the township's maximum property tax levy to meet the costs of providing township assistance. Specifies that the maximum increase that the DLGF may authorize for a township for a particular calendar year is the levy that would result from a \$0.01 increase in the township's township assistance property tax rate. Provides that the DLGF shall increase the maximum property tax levy for a township's firefighting fund for 2019 and thereafter if: (1) the township imposed a debt service levy in 2018 to pay amounts borrowed to furnish fire protection; and (2) the township executive before August 1, 2018, submits a petition to the DLGF requesting the increase. Specifies that the amount of the increase in the maximum property tax levy for the township's firefighting fund is equal to the total amount of the principal that will be due in 2019 on amounts borrowed by the township to furnish fire protection. Makes a technical correction.
