

Dear Trustees, Board Members, Township Personnel and Associate Members,

During this trying time for all of us, it is good to get a bit of relief! Indiana State Examiner Paul Joyce has approved a modified application to be used in place of the TA1 DURING THE DECLARED EMERGENCY. It is important that we know at the outset, **this form may only be used for the time during which we are under a declared state of emergency by Governor Holcomb.**

We want to express our thanks to Danielle Tolan, Trustee of Westfield-Washington Township, for designing the form that we then submitted to SBOA for approval. It is a PDF fillable form so that it can be emailed, completed and returned to be printed for the client's file; or it can be printed from the get-go to be distributed as you normally would the TA1.

We hope this brings some relief. Let us know if you have any questions.
