ITA Associate Membership  
“Our Partners in Good Government”

The Indiana Township Association Associate Membership is designed for businesses interested in marketing its services to township governments. The ITA invites you and your company or firm to review this plan which enables you to market your services or products to our members.

- **EXHIBITION AT OUR ANNUAL FALL EDUCATIONAL CONFERENCE**
  - Four day event in Indianapolis
  - One day Trade Show with attendees from across the State
  - Program Advertising & Sponsorship Opportunities at a Discount
  
  Associates may register for exhibit booth space at a discounted rate ($100-$200 savings) and with that registration receive one complimentary conference registration ($185 value)

- **CONFERENCE SPONSORSHIPS**
  This is an exclusive opportunity for Associates to be an integral part of our conferences by sponsoring the event. Several different levels of sponsorship are available to meet your marketing needs. In addition to our Educational Conference, the ITA holds its Convention & Legislative Conference during the first quarter of each year.

- **WEBSITE LISTING**
  Associates are listed on our website under the “Our Members” tab on the front page. When township officials call the ITA inquiring about businesses that provide a particular service or product, the ITA will refer them to this listing.

- **PARTICIPATION IN EDUCATION**
  Associates are the ITA’s primary resource for experts to conduct seminars on a wide variety of topics during our conferences. We consider our Associates a natural “speakers bureau”. In the ITA’s quest for mapping the future for the success of township government, we welcome the participation of Associates in the process.

- **INVolVEMENT WITH THE ITA POLICY**
  ITA Associate Members pay annual dues and are entitled to participate in the ITA conferences, seminars and meetings. Recommendations may be made to the Board of Directors on policies concerning the membership plan. The plan is intended for companies or firms that wish to further the mission and purposes of the ITA.
**TOWNSHIP MEMBER SERVICES**

**EDUCATION**

*learning together for good government*

The Indiana Township Association (ITA) offers opportunities each year for Trustees, their employees, Board Members, Attorneys and Fire Chiefs to be educated on all duties involved in governing townships.

**Convention & Legislative Conference** - This event focuses on our lobbying efforts at the Statehouse and conducting the business of the Association and is held each year while the General Assembly is in session. Attendees participate in educating our state legislators so they might better understand the duties and challenges you face each day.

**Education Conference & Trade Show** - Typically, more than twenty classes are offered during this multi-day event each Fall. This is the perfect opportunity for all township officials.

**SUPPORT SERVICES**

*resource for information*

One of the most valuable resources to our members is a full-time trained staff, ready to answer calls for assistance.

---

**GOVERNMENT AFFAIRS**

*protecting township government*

With the aid of professional lobbyists, the ITA has over the years achieved passage of legislation beneficial to township government. Perhaps more importantly, the ITA has prevented even more legislation that would be detrimental to townships and our constituents, including several attempts to totally eliminate township government.

If laws are proposed that affect township duties, members can communicate their views to the Legislative Committee which is responsible for proposing legislation to the ITA Board of Directors and then seeing it through the Session.

**BOARD OF DIRECTORS**

The Board of Directors is responsible for the association’s policies and management. Five officers: President, Vice President, Treasurer, Secretary and the Area Directors’ representative comprise the Executive Committee. The Executive Committee joins with the following members as the Full Board of Directors: Seven regional Area Directors and the Immediate Past President. All officers are elected for two-year terms by the Convention.
