

# ITA AWARD NOMINATION FORM

Each year during the Educational Conference, Indiana Township Association recognizes four dedicated ITA **members** that have demonstrated accomplishments during the past year. Due to the pandemic, no awards were given in 2020; therefore, the committee will consider nominees for accomplishments during 2020, as well as

nominees for 2021 accomplishments.

Nominations will be accepted until **August 28, 2021**. Nominations received after August 28<sup>th</sup> will not be considered for the 2021 awards presentation. Awards will be presented September 21st during the Awards Banquet. Generally, we do not disclose winners ahead of time.

ITA is proud of the many contributions its men and women have made to their communities and for the betterment of township government as a whole. We encourage you to help us recognize those members who deserve to be thanked by nominating them for an appropriate award.

The committee will consider accomplishments within their township/community at-large, as well as letters of support/ news articles, etc. The award is bestowed, not only based on successfully fulfilling the duties of office (those things we “must do”), but on the merit of going above and beyond – from what is expected to that which is exceptional.
